HOW TO USE THIS PARTS LIST (FOR O.E.M. ONLY)

Explanations of symbols (column guidances)

A. KEY

The key number is to use as reference for locating part number(s) of illustrated drawing shown in the list. The index number is given to individual illustrations. The suffix of key number represents that the part number of the parts changes or modified according to historical sequence.

Sequence of changes	Key #
1	1
2	1A
3	1B

B. SPC (Split Part Numbers)

There are part/parts originally with one part number but broken down into two or more parts and part numbers, due to technical reasons, which can be easily noticed at the KEY # with alphabet letters from A to Z. (these parts are combinations of 2 or more parts in lieu of the original one)

C. CHG (Parts newly added or Modified)

To observe easily the differences between old and new parts list. If the column CHG is/are with:

A : Parts newly added.

C : Parts modified or changed.

D. PART CODE (All blank) See remarks column

FIG. 20		P. 44	

FIG. II 20

BONNET AND FRAME SYSTEM

TX2160

E. DESCRIPTION

Is the literal meaning of part number itself.

F. QTY (Quantity)

This is the actual number of piece, set and assembly of part required per unit of product or machine.

"AR" is the abbreviation of "AS REQUIRED"

"CC" shows that part required during replacement services is more than 100 pieces per unit.

G. ITC (Interchangeability)

0 : Old and new parts are interchangeable.

1 : New part can be used in place of the old part but old part can not be used to replace the new part.(see illustration below)

2 : Old part can be used in place of the new part but new part can not be used to replace the old part.(see illustration below.)

3 : Not interchangeable.(see illustration below.)

8 : Abolished.

9 : Newly added (overlooked during publication or with some unforeseen reasons).

On this column you will find Iseki part numbers, coded according to its specifications, design and functions to describe the parts as references. There are parts with specific colour designed to specific country/countries as requirement, which can be distinguished after the part number with asterisk (*) mark and figures from (0) to (8) before each descriptions with designated colours. WHEN ORDERING REQUIRED COLOUR PARTS, BE SURE TO INDICATE COLOUR NUMBER, OTHERWISE, SHALL NOT TAKE ANY RESPONSIBILITY AT ANY CIRCUMSTANCES.
